

EES document upload feature

The EES document upload feature allows employers to submit some retirement- and employer-specific documents online. This eliminates the need to print and mail paper forms. The feature lets you upload documents in three categories: member documents, employer documents and supplements. To get started, select Document Upload on the home screen in EES. Below is a list of documents that can be uploaded.

Member-specific documents

Requires SSN and last name of member

- SSN verification
- Correction/change/prior year
- Position description
- *South Carolina National Guard Certificate of Eligibility*
